## Advertising Program Options

Millville American Little League has 4 divisions: T-Ball, Rookie, Minor and Major Leagues. Last season we had a total of 19 teams. These young players are the future of the league. Your donations are used to provide a uniform for each player, field maintenance & supplies and help our all-volunteer league operate successfully from March through June. Team sponsors will have their business name/logo on the front of every player's jersey (approximately 12 kids to a team). You have the option of sponsoring one team, multiple teams, an advertising banner (placed on our outfield fences) or a combination of both. Specific division sponsorship is available on a first come, first serve basis.
